CARTER'S WHIZ KIDS TO BLAME FOR PROBLEMS

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for follow-up.

Back in the Kennedy-Johnson Era McNamara's Whiz Kids at the Pentagon created considerable havoc & criticism for them, but that wasn't nothing compared to the troubles President Jimmy Carter is encountering with his Bureaucratic Whiz Kids who were appointed to high Govt posts as a payoff for support he got in his race to the White House. By leading the Govt departments with Economic Disasters from Consumer, Ecological, Environmental, Big Labor & other Pressure Groups who seek to rebuild America according to their own warped ideas as to what things are like, the Whiz Kids have a large & growing can of worms on their hands.

Andrew Young this week again ran afoul of Carter's and the State Department's policies. At the U.N. Carter and Boyce Vance were giving the Soviets Hall Columbia over their handling of rebels to

Slaughter Cow Price Sag Hits Hard At Critical Period

The recent sharp decline in slaughter cow prices once again emphasizes the critical nature of President Carter's decision to open the United States to increased imports of beef, principally manufacturing beef of the type produced from slaughter cows. As can be seen in the pages of this week's Weekly Livestock Reporter the slaughter cow prices have been dropped by the dollar at the time when cowmen are in the process of culling herds due to various reasons such as age and nonproductivity, and this normal process is aggravated by drought conditions in much of the cow country on water and grass is critically short.

The heavy movement of cows to market is further accentuated by the fact that cows are stacking up in the hands of packers. Many slaughterers in Texas and the Southwest report they have on hand more cows than they can slaughter and process for from seven to ten days in the future. Many cowmen who had started rebuilding their herds and who had bought some cows are faced with water and pasture shortages and having second thoughts, and some of those who have not yet made the move have put plans for expanding their herds on the back burner.

Carlott Beef Opens Unevenly, Lower In Colorado Area

Des Moines, July 17 (F-S) — Midwest carlot meat trade FOB Missouri River area as of 2:15 and close. Poage Appoints Committee to Investigate Angelotti Tour with Consultant, Agri-gate To Follow Watergate, Koreagate in News?

The House Agriculture Subcommittee on Livestock and Grains last week looked into the performance of USDA's Food Safety and Quality Service and the 2 1/2-hour session attracted a standing U. N. Ambassador Andrew Young. Answering the Subcommittee's questions were Assistant Secretary Carol Tucker Foreman and her head of FSQS Dr. Robert Angelotti. Results of the session clearly indicated that industry criticism of the high-handed manner in which Foreman and Angelotti have attempted to run roughshod over livestock and meat industries had reached the ears of Congressmen.

There have been some strong appeals from industry to get President Carter or Boyce of Agriculture Bob Berglund to fire Foreman and Angelotti, or at least rein them in. However, Berglund strongly endorsed their work and it seems unlikely that Carter will take action in view of his demonstrated reluctance to fire any of his appointees, regardless of cause (as was demonstrated this past week in the firing of U. N. Ambassador Andrew Young's frequent bulletins in foreign positions were contrary to Administration positions and friendly foreign nations). The general feeling being that President is disinclined to admit mistakes.

Probably the most important development was pointed inquiry into how and why a \$24,000 contract was awarded to the Consumer Federation of America to do an "impact study" on economic effects of the USDA's proposed meat weight regulation on packers and processors, especially meat and meat products. Questions indicated the strongly endorsed their work and it

Fed Cattle Uneven, Cows Sharply Off, Hogs Mostly Higher at Major Markets

Receipts of slaughter cattle were around 5,000 under last Monday around the major markets and hog numbers were around 14,500 below a week ago. Fed cattle prices were rather uneven on most fed steers and heifers, but over, Holsteins were lower at most points. Slaughter cow prices sagged sharply at most points and slaughter bulls were unevenly steady to \$1 to \$2 off at various points. Advances on hogs were posted at all markets. Prices for steers, quotations on choice and prime fed steers and hogs, and the US 1-3 hogs scaling 200 to 270 pounds included:

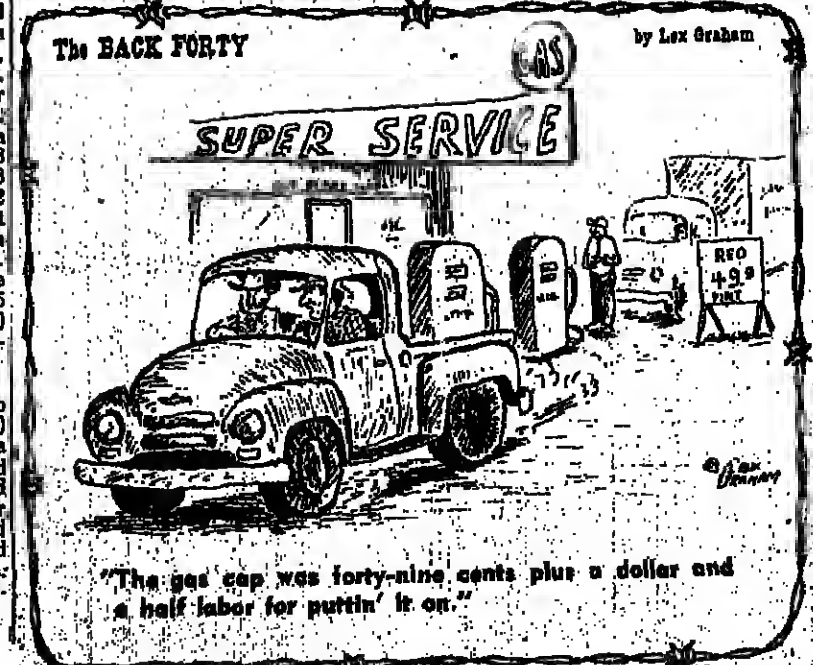

Direct Feedlots Trade Opens Slow, Prices About Steady

STORY FROM PAGE 1

ly Communist Cousin, here comes Young with the statement that U.S. jails are "haustr" hundred, maybe thousand, of Political Prisoners. This is the second time Young has crossed Carter's position, since a while back when Carter & Vance were belaboring the Soviets in general and Cuba in particular for getting involved in Africa's wars, Young blithely announced that in his opinion the Cubans were a "stabilizing influence" over there. They do say that both Vance and Carter are livid.

Other representatives of pressure groups in transportation, consumer of fare, etc., have likewise created problems on top of problems for President Carter, when more or new ones were in the air. Recently there has been a big buildup in the farm and livestock circles to try to get Sacy, Bergland to rein in Carol Tucker Foreman and her right hand man, Dr. Robert Angelotti, who have been roiling Calhoun and trying to run roughshod over the people they are supposed to regulate. Bergland answered the critics by

giving both Foreman and Angelotti a ringing endorsement. This apolla more trouble for Carter, since the food industry has found Bergland and, presumably, Carter impervious to their pleas for relief.

The trouble may well come from Congress, and if Carter needs any more troubles, he sure don't need any in Congress. He has a bumper crop of problems with Congress already. What happened is that the Kentucky Meat Processors Assn., weary of being hauled by the Bureaucrats in USDA's Food Safety & Quality Service have taken their problems to the Kentucky Congressional delegation and seek to get Foreman and Angelotti fired. For a while they complained "Angelotti and Foreman are dictatorial and have no experience in the industry except shooting at it." They continued with the charge "we can't see Angelotti doing any worse, he listens to absolutely no reason." It was charged that "ISDA people are intimidated from top to bottom by Foreman" and carry out bare-brained orders for fear of losing jobs. You recall Foreman's idea that ground beef and hamburger must contain only choice & prime beef and the idiotic in-

lack on mechanically deboned meat among others, which revealed how little she understood meat and meat processing.

While most businessmen, farmers & ranchers included, are loath to get involved in politics in order to get relief from Government Bureaucrats & Regulators, it appears this is the only way they can do. They also are finding out that hauling these government Bureaucrats & Regulators into Court is another form of seeking some relief and have had success along that line. So the new politics seems to be more politics and heretofore more trouble for poor old Jimmy. Grandpa used to say "The road to Hell is paved with good intentions," and Carter must be aware of that by now.

Ever Thine,
The Kicker.
P. S.: Uncle Duck reports the suggestion that the furthest northwest, of which there are 512 known plants, and which as an endangered species, halted construction of the Dickey-Lincoln Dam in Maine, should be transplanted to Washington, D. C., seems like a good idea. They could put it in planter boxes alongside the fish tanks of Snail Darter and the rest of the country could get back to business while we still have some to get back to. Duck reports the Center for Science to the Public Interest, another pressure group, wants FDA to regulate sodium chlorate (plain table salt, mind you) as a possible hazardous drug. This follows along with the proposals that we'll not to quit breathing air and drinking water, since they might be hazardous to our health. Duck figures if some feathery team could dig up a ruminant back as shifty as Jimmy Carter, they would really have it made. Notice this week Carter says our holiness of payments are in trouble over imports other than oil? Ho, ho! — Thossall, Brother!

Congressman felt the Consumer Federation was something less than an unbiased group and this followed recent complaints that USDA had been financing the appearance of "friendly" witnesses to hearings on proposed new USDA rules and regulations. The new Agricultural Appropriations bill now prohibits this kind of activity by USDA.

Of possibly even more importance was the action of Chairman W. R. Foye of Texas in appointing a three-man committee to investigate the visit of Angelotti to two Colorado and three California packing plants. The tour was arranged by Herb Silverstein, who is connected with Quad Corp., a consulting firm, and reportedly a long-time friend of Angelotti. Angelotti defended the action by saying he wanted to visit the plants "without fanfare" and without being identified as to his job. Critics felt the affair opened the way for Silverstein to acquire clients, since such a tour with the hand-

had an insider connection with the USDA which might make him useful to packers or meat processors in regulatory matters.

Revelation of the packing house tour led one member of the committee to crack "we had Watergate, then Korea-gate and now Agri-gate."

The "Turkey Ham" controversy was studied, a matter in which pork producers complain that consumers are misled into thinking the turkey product is genuine pork ham. All FSQS decided to do was make the turkey ham processors include on the label that the product was "turkey thigh meat". One committee member expressed amazement that this was all USDA could do, to which Mrs. Foreman suggested he might like to sit in with the poultry committee.

In the hearing the Congressman drew from Foreman and Angelotti the admission that the FSQS bacon-nitrite rule was promulgated in violation of USDA rules because legal clearance of the final regulation had not been ob-

rather that we take such things for granted - and, you see, there was no picture on the cover of a cow or calf - only of a magnificent looking Indian brave astride a pot pony. So how would the minister or anyone else from any other walk of life, except ranching, draw any other conclusion from such a bold pronouncement - Female Sale!

We also should take into consideration that we must at times offend the sensibilities of more genteel and refined folk - no, that isn't what I meant to convey at all as we, too, are refined and every now and then even genteel. Maybe it will suffice to say "non-ranching" folks. Anyway, we speak of things such as A. I., fertility, palpation, of a myriad of illnesses and diseases of cattle, as a matter of course, and a lot of it at the dinner table. And in public. There must be times when people avoid our conversations and go out and tell their friends "You'll never believe what I heard these people talking about!"

We happened upon a birthday card

recently (whoever wrote the verse could not possibly be just a mare, was definitely knows a great deal about the industry and again, about our way of life) - the verse said "I started to send you a million dollars for your birthday" - turn the page - "but I knew you'd just keep right on ranching till it was all gone."

So you to Sulphur Springs Saturday at the Brangus Country Invitational Sale - the Junior Heifer Show - all of those good things.

SANTA GERTRUDIS NEWS

The Santa Circuit

By BUDDY SMITH
Well, who you go out and check on your cows and see the dual rising behind them as they trail up to you, there is no doubt as to what time of year it is. The only positive thing I see in the drought we're facing is that all cattlemen have something to talk about when they get together.

One thing the drought hasn't done is affect the price of quality Santa Gertrudis, as evidenced in all of the recent sales. One such sale was the Oklahoma Santa Gertrudis Association "Picture Perfect" Sale, held in Tulsa June 24th. Bulls averaged \$1,675.00 with females averaging \$1,607.00. The demand was strong. High selling individual was a Joe Frenley consigned cow that sold to Grandez Ranch for \$3700. She was a "Magnum" bred cow with a bull calf sired by "Christmas" 65/8. High selling bull was Leo Smith's consignment that sold to Copley Farms for \$2150.00.

Following the sale, I took the family by Bob and Sharon Wasson's place at Poteau, Okla. We looked at the "Christmas" bred calves they are getting, and I guarantee that Wasson Ranch is going to be tough to boot on the show road this coming season. Bob is breeding his Santa bulls to a top set of line bred Harford heifers. In a year or two, we should be seeing some Wasson Ranch "Santa-Cross" steers winning the steer shows.

Another top sale was just concluded, that being the Western Heritage sale, held at the Sherbrook Hilton Hotel in downtown Houston. The cattle were sold in the ball room along with western art and quarter horses. I've never seen more enthusiastic crowd. The demand for the cattle was unbelievable.

Cattle grossed \$186,000.00, with an average of \$6,118.00. The high selling animal was Connelly Ranches' entry, bull 5/118, sired by Murdoch Ranches, of Goliardia, for \$28,000.00. 5/118 is a half brother to last year's high selling bull. His sire was Nine Bar Ranch 0365, a "Masterpiece" 511 bred bull. On the dam side he was straight Connelly Ranch breeding. High selling female

National Santa Gertrudis Junior Heifer Show
Kingsville - "Our Youth Are Our Future" - The Foundation of American Agriculture - was theme of this year's National Santa Gertrudis Heifer show June 28-July 1 at the Heart of Texas Fairgrounds in Waco.

Santa Gertrudis Junior Breeders including 4-H and FFA youth from five states participated with 131 animals entered from Georgia, Mississippi, Arkansas, Oklahoma and Texas.

LaRue Douglas, Georgetown, presented a fitting, grooming and showing demonstration the first day before about 225 junior and senior entrants. A barbeque luncheon was followed by a talk by Reagan V. Brown, Texas commissioner of agriculture. That evening there was a western dance for all participants and their families.

June 30 saw a junior and senior livestock judging contest. Keith Huffman, McGregor FFA, was first in the junior contest. Danny Taylor, Tomball FFA, second. Danny Matthews, Prosper FFA, Frisco, third. Mrs. Nora Goodman, Temple, was first in the senior contest. (CONT. ON PAGE 12)

Santa Gertrudis Show at Pan-Am Scheduled to Be One of Largest

One of the largest shows in the history of the Santa Gertrudis breed is expected to take place at the 26th Annual Pan-American Livestock Exposition at Dallas, October 9, when some 280 head of cattle compete in the open show for \$4,500 in premiums.

"It will be difficult to have a better show than the 1977 National, but we will give it our best," stated Don Clark, Director of the Livestock Department. The Junior Santa Gertrudis Heifer Show will be held on Thursday, October 19, with premiums of \$2,000 available to the winners. "Participation with premiums of \$500 each from the A. R. Fallraiths and Bart Dedmons creates the most premium offered to Junior Santa Gertrudis exhibitors in any show in the world," Clark added.

Total cash premiums for Santa Gertrudis exhibitors at the 1978 Pan-American are \$8,500, plus trophies provided by the Premier Association.

The 15th Annual Premier Prestige Sale, Sunday, October 8, at 8:00 p.m. will be the climax of the Santa Gertrudis activities at the Pan American. Entries close September 1. Premium lists may be obtained by writing Don Clark, Director, Livestock Department, State Fair of Texas, P. O. Box 28010, Dallas, Texas 75220.

winners' list of many Santa Gertrudis shows. Another interesting feature of the sale was that the second high selling female was also a daughter of "Gosgrove 10", owned jointly with Bob White's Bar BW Ranch of DeRose, Tennessee. Female 15/7 sold to Superior Land and Cattle Co. for \$7,800.00. She is a poll heifer that sold safe in calf to "Trave 1/6" who is a half brother to "Gosgrove 74/5". Mel Grey of Westlaco, Texas, was the contending bidder on several of the top selling sires and was the successful bidder on the Superior Land and Cattle Co. bull 18/11 at \$15,000.00. Volume buyer of the sale was Gile Ginter of Franklin, Georgia.

Gerry Mize, left, owner of Granddada Ranches, Tulsa, and president of Oklahoma Santa Gertrudis Assoc., and George Day, Tulsa, are shown at the OSGA's "Picture Perfect" sale June 24, where Day was one of the volume buyers.

Classified Sell Equipment

Hosts of the highly successful Tri-Star Santa Gertrudis sale at Mayfair Ranches, Brenham, June 9, are shown above. From left, they are: Herbert Fisher, owner of Four G Ranch at Hempstead; George Butler, owner of Mayfair Ranches; and Harlan Cochran, owner of Simon Peter Bend Ranch, Livingston.

Tri-Star Santa Gertrudis Sale Averages \$2483

Brenham — In George Butler's Mayfair Ranch, Brenham, Herbert Fisher's Four G Ranch, Hempstead; and Harlan Cochran's Simon Peter Bend Ranch, Livingston, Tri-Star Santa Gertrudis production sale at the Mayfair Ranch here June 9, the 374 lots grossed \$93,750 for an average of \$2483. Auctioneer was Gerald Bowie, West Point, Ga.

The capacity crowd created a strong demand for the quality offering with 18 buyers representing Texas, Oklahoma, Louisiana, Mississippi and Georgia being successful bidders.

Eight and three-quarter bulls grossed \$18,250 to average \$2280.5 and 28 female lots \$76,500 to average \$2696.4. Four G Ranch consigned the top selling lot, a cow-calf purchase by Briggs Ranches of San Antonio, for \$5,200. San Jose Galle Co. of Pleasanton paid \$5100 for another Four G pair.

Simon Peter Bend Ranch consigned Mr. E 209, a six-year-old sire, that topped the bulls going to Warren Updike of Lafayette, La., for \$2500 for a three-quarter interest.

One of the highlights of the sale was purchase by King Ranch, Kingsville, of a Mayfair bred heifer for \$2000, then reselling it with the proceeds going to the SGBA's Youth Endowment Fund, to Nine Bar Ranch, Cypress, for \$2400.

Nine Bar was top volume buyer, taking nine females for \$25,400. Conally Ranches of Florioville bought five females for \$10,550. Other buyers included: Nuthin' Don' Ranch, Fort Leavenworth; Orndez Ranches, Tulsa, Okla.; Ghorry Grove Plantation, Crystal Springs, Miss.; May Ranch, Beeville; Comperom Ranch, La. Pryor; Koth Cosgrove, Coalgrove, Okla.; and U Bar Ranch, San Antonio.

NEWS about LIMOUSIN

Around The Limo Loop

By KEN HOLLOWAY and BRUCE BROOKS

Gosh it's hot and dry here in the Great Southwest. Hope by the time you read this, we've all had a couple of inches of rain. But enough about the weather...

The fall sale season is quickly approaching and by all indications will prove to be as exciting as the spring sales just past. In spite of all the government efforts to take the profit out of the cow business, the market remains stable. In addition to the production sales on tap for the near future, the Limousin shows and sales will be our tool to exhibit the many qualities of our great breed. The Okla. Limousin Expo will be held again this year during the State Fair of Oklahoma, Sept. 27.

Again this year, the decision to sell show cattle will be your option. Of course the show we all wait for each year, the 5th Annual World Limousin Futurity will be held during the American Royal Livestock Show, Kansas City.

The Futurity once again is shaping up to be a memorable event. This year the "Avenue of Sires" has been added to the Limousin exhibit area which will allow us all to see the great herd sires that are so representative of our breed. As always, only the top 70 to 80 head will sell, so dig deep into your herd and bring the great ones. Immediately after the Futurity, the spotlight moves to Louisville, Ky. for the American Invitational Show and Sale held during the North American Livestock Exposition.

Also, Wiggins Ranch Co. will hold their fall Production Sale, Labor Day weekend, Sept. 2, and as always, another tremendous offering of fullblood and percentage females will be in store. Included in the offering will be 8 fullblood bulls, 10 open 3/4 heifers and 10 fullblood cows with lots of percentage females, many with calves at side. Plan to be at the Coyote Hills Ranch Division, Chattanooga, Ok., Friday, Sept. 1 for the pre-sale party and the Sept. 2, for the always-exciting WRC Sale.

The following weekend, Sept. 9, is

the date chosen for the Bates Ranch Country Sale. Of course Bates Ranch has always been a producer of great Limousin cattle and will be offering you the chance to purchase these great females from one of the stalwarts in the industry. These cattle are all foundation cattle — proven, producing females. Another great Limousin event you won't want to miss.

As you can see the early fall season is rapidly taking shape to what could be one of the most exciting ever. We're sure you will want to be a part of the many shows, sales, and conventions that make our breed exciting, not to mention the many outstanding cattle that will be offered for sale and exhibited.

Bo until next month... Prey for Rain... but until it does, we're going to water 'em in!

DEDICATED TO PRODUCING 7/8 & 5/16 DOMESTIC Pureblood Limousin Cattle
To satisfy the Demands of the Purebred & Commercial Breeder
We welcome your inspection of our Domestic Purebloods:
"Our Profit Is Through Your Profit."

The end result must be quality.

In order for any breed to achieve any form of supremacy in the cattle industry, quality of the breeding stock must never be weakened. Quality is at it's greatest at Budrick Farms this spring. The calves out of our fullblood cows as well as our embryo transplants have reaffirmed our belief in our great breed. We invite you to come by the ranch anytime and see these outstanding calves. We think you will agree that quality has, is, and always will be our prime concern.

Oklahoma Junior Limousin Heifer Show

BY DEBBIE JACKSON
Oklahoma Junior Limousin Association held an all-state heifer show at the Bates Limousin Ranch in Konawa June 18. Jerry Douglas of Pineville, Mo., served as judge with

NALF Convention

(CONT. FROM PAGE 14)

show will be judged by Marvin Nichols, renowned cattle breeder and judge from Akeny, Iowa. Bulls must be 75% or greater and calved January 1, 1978 thru December 31, 1977. Females must be 75% or greater and calved September 1, 1978 thru December 31, 1977. In addition, there will be a cow-calf class, set of sire, best 6 head and a prospect class for steer and heifer calves. Purebred classes will include those bulls that are from 94-100% and heifers that are from 87-100% Limousin. Percentage classes will include those bulls that are from 75-98% and heifers that are from 75-89% Limousin. Grand Champions in each breeding division will receive \$500 and a plaque while the Reserve Grand Champions get \$250 plus a plaque. In the prospect classes the 4 Champions take home \$250 and a plaque while the reserve get \$125 and a plaque.

The show will be managed by American Cattle Services of Chattanooga, Okla. Following the show on Monday afternoon, the NALF will hold open committee meetings at convention headquarters in the Reddison-Muchieback in downtown Kansas City. The evening pre-sale party will feature supper and a dance with fun for all. Tuesday morning starts with breakfast and the annual meeting at 8:00 a.m. Following the program and the annual meeting the group will move back to the American Royal for a barbecue lunch and the beginning of the World Futurity Sale at 12:00 noon. The sale will include all the champions and top placing animals from the World Futurity breeding and prospect classes. For more information call or write NALF, 100 Livestock Exchange Bldg., Denver, Colorado 80218, 808-823-8644.

Limousin Sole Set For Sept. 2

Chattanooga, Okla. — Wiggins Ranch Company has announced the "Service of Champions" Limousin Production Sale will be held Saturday, September 2, 1978. Sale time is 1:00 p.m. at the Coyote Hills Ranch Division at Chattanooga, Okla.

The sale will feature the service of two National Champion Limousin bulls that are part of the WRC Herd Sire Battery. Selling will be 120 lots including 8 fullblood Limousin bulls and 10 fullblood Limousin

7th: Dewetta Jones, Sperry, 8th: Class 5: Rod Hough, Miami, 1st: Also McKown, 2nd: Rod Hough, 3rd: Tonya Roberts, Chelsea, 4th: Varcoe McKown, 5th: Mike Schultz, Monokah, 6th: Class 6: Dana Sparkman, Fortland, 1st: Kelli Corrigan, Claremore, 2nd: Rhonda Brimmer, 3rd: Bryan Sparkman, 4th: Clendon Gilbert, 5th: Roo Harper, Stillwater, 8th: Billy Sherber, 7th: Clendon Gilbert, 8th: Rod Hough, 9th: Shannon Watts, 10th and 11th.

Mike McKown's heifer was named grand champion with Todd Small exhibiting the reserve grand champion heifer. Sooner Jr. Cattle Co. furnished the trophies for these.

The tremendous demand for percentage registered Limousin cows for commercial herds has prompted the National Board of Directors for the North American Limousin Foundation to authorize a multiple sire program to produce 3/8 and 7/16 females. "With such a great demand this year for 1/4 blood Limousin cows we feel there is definitely a need for more females in the 3/8 to 1/2 blood category," said Carlton Noyes, the national president.

The program states that as long as the bulls are 75%-87% Limousin, are recorded with the NALF and are half brothers by the same sire, the heifer calves out of foundation cows can be recorded as either 3/8 or 7/16 Limousin. "Many of these heifers will go into commercial herds, with the very best ones used in upbreeding to higher percentage Limousin," stated Greg Martin.

AVOID CHANGING WHEEL LEATHERS FOR MANY YEARS
 Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leather 10 to 1. Their tapered design allows only 1/8" wearing, instead of 5/8" of a leather. Much less friction for easier pumping extends cylinder life greatly. Perma-cups must be used in a good or new cylinder, as they do not seal. Install Urethane Perma-cups. Urethane Check-bells, and Urethane Pump Rod-guides, and don't pull that well for many years. Thousands are in wells that have not been resealed in 9 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. This is our 28th year serving ranchers.
